

Don DeLillo: *Cosmopolis* (2003)

David Cronenberg: *Cosmopolis* (2012)

# The lecture in the limo

“We want to think about the art of making money. ... Money has taken a turn. ... Money has lost its narrative quality the way painting did once upon a time. Money is talking to itself.”

“You’re dealing with a system that’s out of control. Hysteria at high speeds, day to day, minute to minute.”

Paul Virilio:

*The Information Bomb*  
(2000)

Speed

Acceleration of reality

“Here no longer exists;  
everything is now.”
